

Assisted purchase

At Renaissance, we have introduced an assisted purchase plan that can make all of the difference in selling your existing property and owning your brand new home.*

If you have a property to sell, we can help with the process to ensure that you are settled into your new home as quickly and hassle-free as possible. The assisted purchase scheme has been carefully thought out, offering many benefits in addition to financial. This is a free service offered to all customers:

- Our sales team will arrange free and independent valuations from our approved list of estate agents

- Once valuations are received, we will discuss the appropriate selling price for your property with you
- We will arrange for a Home Information Pack to be prepared
- Subject to valuation, we will meet all of the costs of the appointed estate agent
- We will continually monitor the sale of your property and advise you and your appointed solicitor accordingly

*Agreement is subject to terms and conditions.
