

Part-exchange

We have selected the leading and most respected part-exchange companies operating in the UK. Part-exchange can make a real difference to your experience of purchasing your new home at Renaissance.*

You won't have to worry about dealing with estate agents, solicitors or showing people around your existing property. You get the reassurance of dealing with one company:

- Offers are based upon valuations from three independent local estate agents

- There is no charge to obtain a no-obligation offer on your existing property
- Your reasonable solicitor fees will be paid
- There is no need for you to compile a Home Information Pack

If you are interested in taking advantage of this service, our dedicated team is happy to explain the details.

*Agreement is subject to survey and to the terms and conditions of the part-exchange company.
